## Customer Reviews

I bought this thinking it was something different. I could get, and have in the past, got and printed a list of the books. I thought this was more than a list of titles. In addition because it is only on the kindle it cannot be printed. Not worth the price.

Why would anyone pay for a book listing when you can go to the [orderofbooks.com](http://orderofbooks.com), and get the order of books series by author and by character? Not every series in there, particularly e-authors, but they add all the time. I've looked at the listed order of books by an author as posted on the site, and it's ridiculous and often wrong.

I think it's ridiculous that we have to pay to get a list of the author's books. I notice that in Jance's most-recent books, it's difficult to determine the chronological order of the latest Beaumont-series books. Is that a way to force dedicated readers to buy the "Series Reader Order" booklet? If so, that is a very poor way to treat your readers. I am extremely disappointed--in J.A. Jance and in .

I have completed the J. P. Beaumont series, (I think), also the Joanna Brady series as far as maybe newest book. I just started the Walker Family series... not real crazy about all the Indian beliefs, because I do not relate spiritual things to animals and objects, plus it is confusing. Maybe some of the graphic sexual content is only in the earlier books, because a little is OK but not interested in reading about sexual content at all. I think in the later books there is less sexual and foul language, which is great for me. I absolutely do not like reading foul language, especially the "F" word or the "Lords" name in vain. Believe or not there are people still left that do not use this language. I plan to start the Ali Reynolds series when I finish Walker Series. J. A. Jance is very good about holding your attention, sometimes it is hard to put the books down because I want to see what happens next. I have recommended her books to friends and strangers. Hopefully they will enjoy her work as I do.

DIFFERENT SERIES!!!! LOVE THE SERIES WITH J.P. BEAUMONT!!! MY IMAGINATION IS IN LOVE WITH JP!!ALI REYNOLDS IS GOOD!!JOANNA BRADY IS OK!!HAVEN'T READ THE OTHER, WALKER FAMILY SERIES!

No plot - it just has her books in order. Makes it easy to see what I've read and haven't read.

kept me in the loop as to the different series of the best reading of each characters

So helpful because I have so many of her books . . now I can easily organize them and see what I have and what I don't. I'm at that age when I do a lot of "did I read that already?" :)
