Customer Reviews

THOROUGH phonics practice. My daughter has asked for this practice book year after year since Kindergarten. She is so sad that she is on the last of the practice books.

This book is perfect for 3rd - 5th grade children who need some additional practice help, but BEST for ESL (English as Second Language) students of any age.

book was written up in half of the pages and was not satisfactory at all. i did not expect most of the work to be done in the book already

This book was rated as new however 6 pages were torn out from the beginning and it was useless without these. Refund was made however shipping cost still had to be absorbed for a useless item.
